Collision of Cars Near Vallejo, Calif.

VICTIMS ARE PINNED UNDER WRECKAGE

in a collision of interurban trains on the San Francisco, Napa and day. The number of injured is still a matter of doubt, but probably will exceed 25. A mistaken order brought the cars together head on.

The front ears of both trains were completely telescoped by The force of the collision. The victims were pinned down by the wreckage and fire apparatus and a house moving outfit, at work nearby, was used to free them. Ten mon, all from nearby towns, it is believed, and a little girl, unidentified, were killed.

LINER IMPERATOR MAKES FAST TRIP

Lorgest Ship Affort Arrives in New York After Voyage of 5153 Miles From Hamburg.

New York, June 12.-The steamship

New York, June 12.—The steamship imperator, the minute of the seas, completed her maiden voyage last algebratering off the Sandy Hook har at one hour and 12 minutes before midnight.

The new Hamburg-American mar, the largest ship affect, crussed from Europe in the unofficial time of six days 18 hours and eight minutes.

The Imperator is a \$6.560,000 liner, 380 feet in length, 28 feet, 10 inches in height and accommodating 5000 passengers. She displaces \$6,900 tons. Her speed is set at 221-2 knots.

The Imperator averaged 22 knots and her time was given out on board as six days, nine hours and 55 minutes from Cherbourg breakwater to Ambrose channel lightship. The total distance of 5152 miles from Hamburg, her original starting point, was divided into daily runs ranging from 23 to 556 made on Friday, the 15th, notwithstanding it was a day of strong gales and heavy sons. No attempt was made to speed the vessel, but during her fastest going she proved yery steady, according to reports on shipboard. Captain Hams Rauser said she steered perfectly and her engines run perfectly.

Carried in Every Constitution.

Is Squarely up to the people.

"It is squarely up to the people of the state if the amendment is adopted. If it is not passed we will get the money anyway. There is going to be an effort made to get it by taxation and it will be worth any man's political life for two generations to come to be on the other side of that movement in the legislature. If we cannot get the fands by the amendment, we will undertake to do it by buil force. The legislature did not think it could issue bonds until the penitentiary burned down when it issued bonds. If we fail in this fight we have a fight shead to get it by taxation and the alternative will be that the Texas university will send home 600 students next fall who want an education. We would have had to turn out 600 this year but of the wooden buildings, which are a disprace to the university and a blemish to the campus.

"There is one man out against this

"There is one man out against this amendment named Kennedy who is opposed to the amendement on the ground that it will injure the Agricultural and Mechanical college. This is being used by some to arouse prejudice analyst the amendment, but not by the hig men of the A. & M. college Whether the amendment falls or not the establishment of an agricultural department at the University of Texas is assured. Opposition by Kennedy.

Truth About Newspapers; The El Paso Herald Has Complied With the Law

From New York Review.

Of course, only publications that had some reason for concealment would try to get out of complying with the law requiring the publication of the names of owners and the daily average circulation.

Papers of unimpeachable circulation are always glad to let advertisers know just how many copies they distribute. As advertising rates are based upon circulation, it is, of course, a serious matter for a sheet to have to be frank when it is afraid of the consequences to business if it shows its hand.

es of the United States beet sugar in-

flee of the United States beet sugar industry.

Exfore Mr. Stone testified senator Newlands took the witness chair to make a brief statement concerning the use of some of the evidence yearerday.

Mr. Stone presented all his letters and records bearing on the demands of the beet sugar interests for publicity through the news association. He testified that Oct. 12. 1811. John B. Arbuckle, a sugar refiner, when leaving for Europe had given out a statement favoring free raw sugar. That statement was envied by the Associated Press, he said. On Oct. 13. a short athrement was given out of Clarence C. Hamilin, at Colorado Springs, answering the Arbuckle interview, was also carried by the Associated Press. The Arbuckle statement, he said, was about 1900 words long; the Hamilin statement about 150 words.

Treat News Impartialty.

Treat News Imparfailts.

Mr. Hamlin then wrote Mr. Stone asking that the heet sugar interests be given as good treatment as the sugar refiners.

In his reply, to Mr. Hamlin, Mr. Stone

I can well understand how you feel in regard to the matter. It is certainly my desire that the Associated Press shall be just and importial in the treatment of every matter reported by 18.

He eited numerous important events which were being transmitted by the wires at the time, explessing the better that the Denver office was forced to abbreviate the statement of Mr.

Hamilin.

A reply to Mr. Stone from C. D. Hagerts, then in charge of the Deaver office, stated that 500 words of the Hamilin statement had been received from Colorado Springs, but owing to the crowded condition of the wires only 200 words had been sent east and 61 words were cut out of the dispatch at relay points before it reached New York.

York. Thanked for Accuracy. Thanked for Accuracy.

Copies of all the dispatches carried from Chicago by the Associated Press, at the time of the conference of the best sugar interests, were also furnished to the committee by Mr. Stone, with a letter from Mr. Hamlin thanking him for the accuracy of the Associated Press reports. Mr. Stone agreed to furnish the com-

Charges Made Against Miners' Union.

CHARLESTON QUIZ TIRES COMMITTEE

ASHINGTON, D. C. June 19.—
Three tired United States as tors came back to Washingyons are running bank full. Four ton today after a week of investigation

The committee examined nearly 190 witnesses, worked 10 or 12 hours a day, often sitting until after midnight, and took about 1,000,000 words of testimony. The committee will resums hearings in Washington in a few weeks, and will take up the charge of the West Virginia coal operators that the miners' union is in league with operators in the competitive fields of Pennsylvania. Ohio, indiana and Illinois to ruin the West Virginia industry.

Describe Work of "Agitators," Before the inquiry closed at Charles-ton last night the operators introduced witnesses to show the activities of armed miners throughout the strike district and called several witnesses who testified that "Mother" Jones and other labor agitators at the beginning of the trouble urged the miners at

full in the face at 8 oclock Wednesday evening. The scenery was furnished by a fine rainbow which arched across the eastern sky, after the rain had fallen, for 30 minutes. The suncame out while the rainstorm was in progress and added a touch of light effect to the picture.

The rainfall was heavy in the north and northwestern parts of the city, but falled to arrive in the northeastern section and in the Alta Vista vicinity. To the east it could be seen falling in the Hueco tanks and Alamogordo sections where the clouds were exceptionally heavy.

WASHOUT AT LONGFELLOW.

A washout at Longfellow, 400 miles cast of El Paso on the G. H. railroad hins delayed traffic and trains are several hours late. This is the same point where a washout occurred one week ago.

MAY CALL STRIKE IN WEST VIRGINIA

Charleston, Va., June 19 .- A general strike of miners in the New River coal field, district number 19. United Mine Workers of America, will be called next week, according to an announcement by Thomas Haggerty, member of the in-ternational miners board. Fifteen thousand men are employed in the New River field. Whether the 15,000 miners will be falls, depends it is said upon ment's Horse at Ascot Park.

Ascot, Eng. June 18.—Pired by the ecent example of Miss Emily Wilding favison during the deroy, a male satisfact today commutated suicide by linging himself in front of August lelmonts (we year old Tracery, during the race for the Ascot gold cuphies act deprived the American sportsum of a good chance of capturing the roughy.

Week, according to an announcement by Thomas Haggarty, member of the irrational miners board. Fifteen thousand men are employed in the Naw Will be life, depends it is said, upon what concessions may be granted by the operators. It is expected that some of the operators. It is expected that some of the operators within the next few days will grant terms agreeable to their roughy.

> SOCIALISTS ASK DAMAGES. FROM WEST VIRGINIA GOVERNOR Huntington, W. Va., June 19 .- Suit Star, a local publication, against Gov. Hatfield, Mai. Thomas B. Davis and Lienta. Foster, Templeton and H. H. Rice of the state militia, for the destruction of the printing plant of the Socialist newspaper several weeks ago. The militia officers confiscated the plant and W. H.
